WELL-BEING TRANSPORT

@LITTLE_BIG_BUS

WELCOME!

WHAT IS IT?

West Norfolk Community Transport provides a variety of transport, including arranging volunteer drivers for people for health-related appointments.

HOW FAR DO THEY GO?

Distance is not a problem. Our drivers regularly take people to Cambridge and Norwich hospitals, as well as King's Lynn. (Please note that if you live in King's Lynn and need to get to the hospital, or one of the local surgeries, we have a Dial-A-Bus service that would be better suited to your needs. For more information please call 01553 770310).

HOW MUCH DOES IT COST?

Our volunteer drivers are paid 45p per mile, so we try to arrange the closest and most appropriate to your needs.

WHEN CAN I BOOK?

Our office is open Monday to Friday 09:00am to 05:00pm (not including bank holidays). Bookings can be taken at any time during these hours. Bookings can be taken on the day, but will be limited to if any drivers are available.

HOW DO I BOOK?

When you have a medical appointment, if you ring our office, we will take some information, and then will try to match you with one of our volunteer drivers. We will ring you back closer to your appointment to confirm the costings, driver details and pick up time.
